Amend your verify copy around the clock in “Just one Click”

Dear Valued Customer,

Sealand is committed towards always providing you with best-in-class services. With this in mind, we have introduced a feature in our verify copy which allows you to amend the verify copy in just “1 Click”. Here is how:

1. When you open your verify copy, scroll to the bottom of the first page.
2. You will find this hyperlink: <https://my.mcc.com.sg/shipmentoverview/documentation/verify> which will take you to the login page on mcc.com (if you are not logged in).
3. Once you login, it will take you directly to the amendment page.

The screenshot shows the Sealand web portal interface. At the top, there are navigation tabs: LOOKUP, BOOK, SHIPMENTS, DOCUMENTATION, and MENU. Below this, there are filter tabs: ALL, PENDING TASKS, AWAITING SEALAND - A MAERSK COMPANY, and ETA CHANGES. A row of action buttons includes Submit (2), Verify (1), Print Original B/L, Print Waybill (1), and VGM (2). A green button labeled 'SHOW ADVANCED OPTIONS' is also visible. The main content area is a table with columns: B/L no., From, To, and Vessel. The first row shows B/L no. MCB850..., From Tanjung Pelepas, O..., To Hong Kong, HK, and Vessel TABEA (Flag: PT, Built: 200...). To the right of this row, there are two buttons: 'APPROVE' and 'AMEND'. The 'AMEND' button is highlighted with a red rectangular box. Below the table, there are checkboxes for 'Check All' and another 'APPROVE' button.

We will process your amendment within 1 hour, which can save you up to 2 hours if you are submitting the amendment on our website. So we encourage you to make use of this platform for submitting your verify copy amendments.

Should you require any further assistance with your queries, please feel free to contact your local Sealand representative.

Yours sincerely,
Sealand – A Maersk Company
