Scrap Commodity Acceptance into Vietnam The additional information requirements

Dear Valued Client,

Further to the announcement released recently by customs authorities regarding additional information for accepting scrap commodities (*) imported into Vietnam, Sealand - A Maersk Company Asia would like to refresh & update you about the latest instruction as below.

With immediate effect, the following documents are requested to deliver to customs and terminal latest by 24 hours prior to ETA. To ensure a non-disrupted information transforming, consignees need to provide those information to us latest by 36hours prior to ETA.

- Valid import license.
- Confirmation letter to guarantee that consignees will clear cargo within a specific time.
- Valid import license for the specific shipment.
- Security deposit receipt (confirmed that customer has paid deposit for the shipment).

At the manifest submission, below mandatory information showed in a bill or manifest:

- REAL CONSIGNEE
- TAX CODE
- HS CODE
- IMPORT LICENSE
- SECURITY DEPOSIT NUMBER

If missing any above-mentioned input, shipments will be returned without any exception.

Should you have any questions or require any assistance regarding this new regulation, please do not hesitate to contact local Sealand - A Maersk Company Asia representative.

(*) Plastic scrap (HS code: 003205 & 003211) are prohibited into Vietnam. For more details, pls visit us at www.sealandmaersk.com => country Vietnam => tab Import => Vietnam_Commodity_Acceptance_Guidelines.

All the best,
Sealand - A Maersk Company
