The screenshot shows a web browser window with the URL <https://www.sealandmaersk.com/local-information/asia/china-north>. The page features the Sealand logo (A MAERSK COMPANY) and a navigation menu with items: Prices, Book, Tracking, and Schedules. The 'Schedules' item is highlighted with a red rectangular box. To the right of the menu are links for 'EN - Asia', a search icon, a user profile icon, and a hamburger menu icon. Below the navigation is a breadcrumb trail: Home / Local information / Asia. The main content area has a dark background with a large image of a port crane. The headline reads 'Shipping to and from China (North)'. Below the headline is a sub-headline: 'Find all you need to ship to and from China (North). Find the right route, Sealand's office locations, discover local solutions, payment options and more.' There are two buttons: 'Find schedules' (highlighted in green) and 'Find a price'. At the bottom, there is a horizontal menu with the following items: Overview, Export, Import, Payment, Local solutions, and Routes. The 'Overview' item is underlined.
