Adjustment to Free Time Structure and Tariff in Brunei

Our free time structure and tariff will be revised to be aligned with market practice. This effort will also allow flexibility in using detention and demurrage according to your business needs.

As such, **effective 15th February 2020**, Sealand – A Maersk Company Asia will start offering combined free time cargoes arriving and departing **Muara Port** in **Brunei** from all Intra Asia*. This means you will have one combined free time period and compensation for utilisation of equipment inside and outside of terminals or depots, referred to as **Combined Demurrage and Detention**

1. Standard free time mentioned are inclusive of both container discharge day and empty return to the container yard.
2. Calculation days are inclusive of weekends and public holidays, progressive slab method will be used for import detention & demurrage calculation after the expiry of your free time

With the change, the charge name for detention and demurrage will now be specified on your invoices as

- **EXPORT:** Combined Detention and Demurrage (Export)
- **IMPORT:** Combined Detention and Demurrage (Import)

New standard tariff free time structure summarized below

Standard free time	Current Structure	New Structure effective 15 th February 2020
Export	3 days demurrage + 4 days detention	7 days combined
Import	3 days demurrage + 4 days detention	7 days combined

* Intra-Asia Destinations: Bangladesh, Brunei, Cambodia, China, Hong Kong, Indonesia, Japan, Korea, Myanmar, Philippines, Singapore, Taiwan, Thailand, Timor Leste, and Vietnam.

** For details on changes to East Russia destinations, please contact your Sealand – A Maersk company representative
