

CUSTOMER ADVISORY

Change in serving hour South Vietnam Equipment hotline

05 January 2023

Dear Valued customers,

With restless effort on continuous process improvement, Sealand - A Maersk Company has deeply invested on automation and one of our recent success is self-serviced instant booking tool which also allows you to pre-plan your empty pick-up location.

Since the location is available to select upon booking placement, you can plan the logistics early and save the time previously spent on waiting confirmation email from us. Similarly, a lot of phone calls also become unnecessary after our automation improvements and make your time more effective for other important jobs.

As a result, we would like to inform you that the serving hour of our South Vietnam Equipment Hotline (number 0907752751) will be changed as follows:

Before 01 Jan 2023	From 01 Jan 2023
Mon – Sat (8:30am – 11:30pm)	Mon – Fri (8:30am – 5:50pm) working day

We would like to thank you for your business and look forward to continuously serving your transportation needs.

Yours faithfully,
**Sealand – A Maersk Company Asia
