

Customer Advisory

Export Detention and Demurrage Calculation Change

04 January 2020

Dear Valued Customer,

Please be informed that effective February 1st 2021 (based on container departure from origin), we will change the calculation method for our export detention and demurrage for customers with extended free-time.

Example:

- Extended free-time: 10 days
- Date of pick up: 1 February
- Free time ends: 11 February
- Container Gate in: 12 February
- Detention and demurrage day: 2
- Previous calculation: USD 60 for 20 dry and USD 80 for 40 dry
- Future calculation: USD 100 for 20 dry and USD 140 for 40 dry,

Our tariff tier will remain the same as per below:

Container Type	Free Usage Days	Day 6-10	Day 11 onwards
20 General purpose container	5	USD 30	USD 50
40 General purpose container	5	USD 40	USD 70
20 reefer/opentop/flat rack	3	USD 50	USD 90
40 reefer/opentop/flat rack	3	USD 70	USD 130

We thank you for your understanding and continued support. Should you have any queries, concerns or clarifications, please reach out to your local Sealand representatives.

Your sincerely,
