QR code for Counter Services for Documentation in Singapore

09 February 2021

Dear customer,

With our efforts to serve you better, we are introducing the replacement of the physical documentation services request forms with our e-counter digital services form.

To reduce your waiting time for counter service and accurate processing of your documentation request, we strongly encourage you to submit your request at the counter or prior your arrival to reduce the waiting time. The same time, ceasing the usage of the physical forms will help us to improve the safety of you and our colleagues by reducing contact on the papers and stationeries.
