

You don't need to go too far for your DOs

We're at your service inside Dhaka ICD! We value our customers' time like no other.

Nobody wants to go through hours of commute just to get a Delivery Order. This is why we opened a Delivery Order counter – the first in the market – in Dhaka terminal itself, so you can easily collect your DOs, earning you savings in both time and cost. Ship with us to get the fastest transit to Dhaka ICD & get your import delivery order just beside your container!

Save on time

Consignees can avoid the 30 km journey and save 4 hours of commuting time.

Save on Cost

Customer can collect the DO right beside their containers, no additional runner needed which is a big cost saving for C&F agents.

Save on Effort

We're the only carrier in the market to offer Delivery Order pickups directly in the terminal. Providing D/O, NOC for taking on-chassis container out to the consignee's premise, BL Amendment facilities

Contact us if you'd like to learn more about our solutions that can simplify your logistics.
