South China Barge Service Adjustment during Chinese New Year 2022

Dear Customers,

As the consequence of crew resource limitation caused by COVID-19 quarantine requirement, we have received official notices from our service providers that barge service between **Hong Kong and Mainland South China [1] inland ports** will be unavailable from late December 2021 until mid-February 2022 and it is subject to actual schedule.

Therefore, we have following adjustment for cargo acceptance:

1. Cargo in special container i.e. Flat Rack or Open Top will be suspended from 20th December 2021 to 14th February 2022 for all South China barge locations. This is applied for both OOG and In-guage shipment
2. Reefer and DG shipment is suspended from 20th December 2021 to 14th February 2022 for below barge locations:
 - Fangcheng
 - Qinzhou
 - Beihai
 - Zhanjiang
 - Yangpu
 - Haikou
 - Shantou
 - Lianhuashan
 - Zhongshan
 - Sanshan
